

FarmsKing — Promotion, Stakeholder Trust & Digital Viral Growth Strategy

Document Date: September 30, 2026 | **Platform:** FarmsKing Agriculture & Gardening Ecosystem

Core Objective: Build 100% positive trust and goodwill across all stakeholder groups (Farmers, Arhtiyas, Doctors, Government) and execute a zero-CAC viral growth strategy pan-India.

Part 1: Stakeholder Trust Engineering & Reputation Management

1. 100% Genuine Agrochemical & Seed Guarantee for Farmers

Every bottle/bag sold features a unique anti-counterfeit QR code scanner. If proven fake, 10x penalty compensation is guaranteed. 15-second real farmer success story videos featured on the app home screen.

2. "Arhtiya Digital Partner" Campaign for Middlemen & Dealers

Positioning FarmsKing not as a threat to Arhtiyas, but as an enabler via KingConnect P2P ledger, helping traditional dealers digitize advances, interest calculations, and collect bad debts 3x faster.

3. "Doctor of the Month" Recognition & Rewards

Highlighting top-performing Crop Doctors on the app banner with "Verified Star Doctor" badges and monthly performance bonuses.

4. "Counterfeit-Free India" Pledge for Government & Agri Authorities

Partnering with district agricultural officers to guarantee 100% verified inputs, full 100% GST Section 52 ECO compliance, and monthly GSTR-8 returns.

Part 2: 7 Digital & Web Viral Growth Strategies

1. WhatsApp Viral Referral Loop

App CTA: **"Invite 3 Farmer Friends on WhatsApp → Get ₹100 Wallet Credit + 1 Month Free Crop Doctor Support!"** 1-click sharing of pre-filled regional text and personal referral codes.

2. Daily 8 AM "Live Mandi Rate" WhatsApp Bulletin

Automated daily morning Punjabi/Hindi graphics showing live mandi rates across major Punjab & Haryana mandis. High daily organic sharing on WhatsApp groups.

3. "1 Photo Crop Diagnosis" Social Media Reels (Instagram/YouTube)

15-second high-impact shorts: *"Took 1 photo of yellow wheat leaves → Doctor diagnosed fungus in 2 minutes → Saved ₹50,000 crop loss!"*

4. Gram Panchayat "Digital Kisan Mitr" Field Program

Appointing 1 tech-savvy youth per village as a Technical Trainer to onboard elder farmers and earn recurring registration & renewal commissions.

5. Gamified "Daily Streak Coins" (Agri Attendance)

Farmers opening the app daily to check weather or log activities earn 5 "FarmsKing Coins" daily, redeemable for discounts on seeds and fertilizers.

6. Regional SEO Dominance (#1 Ranking on Google)

Dominating regional searches on Google for terms like *"Punjab Mandi Rate Today"*, *"Wheat Disease Diagnosis"*, *"Paddy Spray Schedule"*.

7. Voice-First Punjabi AI Search

Voice-activated Punjabi mic button for senior farmers: *"My crop has pest infestation, what should I spray?"* — Instant spoken Punjabi response with 1-click doctor booking.
