

FarmsKing — 360-Degree Stakeholder Vision & Ecosystem Impact (Master Document)

Document Date: September 30, 2026 | **Platform:** FarmsKing Agriculture & Gardening Ecosystem

1. Farmers

Farmer Perspective

"FarmsKing is not just an app; it is my personal Digital Farm Manager & Crop Doctor."

Impact: Live Mandi rates, digital J-Form ledger, Crop Doctor consultation, 0% GST raw produce billing, and doorstep 100% genuine inputs. 80% reduction in crop failure.

2. FarmsKing Founders & Executive Management

Founders & Management Vision

"India's largest, 100% regulatory-compliant agri-tech ecosystem with 5 diversified revenue streams."

Impact: Membership plans, e-commerce commissions, doctor consultation fees, brand advertising, and fintech float. 100% FDI & GST Section 52 compliant.

3. Sellers & Store Owners (Surinder Agro & 3P Stores)

Seller & Dealer Perspective

"My shop is no longer restricted to my local village; I can sell pan-India on FarmsKing."

Impact: 1% TCS automatically deposited into Govt GST Cash Ledger. Automated GST Rule 46 invoices (FK-INV-...). Official Store Tag builds buyer trust.

4. General Public & Consumers

Public & Consumer Perspective

"We get fresh, residue-free, FSSAI-certified farm produce directly from verified farmers."

Impact: Farm-to-table traceability, middleman-free fresh produce at fair prices.

5. Government & Tax Authorities

Government & GST Authority View

"The ideal model of Digital India and transparent tax compliance in agriculture."

Impact: Section 52 ECO compliance, monthly GSTR-8 filing, FSSAI & CIBRC license verification. Eliminates counterfeit agrochemicals.

6. Agri-Chemical & Seed Manufacturers (Syngenta, Bayer, IFFCO, UPL)

Agri Manufacturer View

"FarmsKing is our most trusted Direct-to-Farmer (D2F) distribution channel."

Impact: Doctors issue exact e-prescriptions, eliminating fake brands; manufacturers get real-time regional demand analytics.

7. Opponents & Traditional Middlemen

Opponents & Traditional Arhtiyas View

"This is a major disruption to our 24-36% interest advance system."

Impact: Disrupts exploitative practices. Smart Arhtiyas join KingConnect to digitize their commissions and lending ledger.

8. Advertisers & Brand Sponsors

Advertiser & Sponsor View

"The premium platform to reach targeted commercial farmers for tractors, solar pumps, and insurance."

Impact: Hyper-targeted advertising by district and crop type yields high-margin ad revenue for FarmsKing.

9. Chartered Accountants & Legal Auditors

CAs & Tax Compliance View

"The cleanest, most audit-proof e-commerce architecture in agri-tech."

Impact: Clear separation of platform commission vs 3P seller turnover vs 1P Surinder Agro trading. Zero audit errors.

10. Industry Competitors (Flipkart, Amazon, DeHaat, AgroStar)

Industry Competitor View

"FarmsKing has built a unique Regional Super-App integrating P2P KingConnect, Doctor Consultation, Mandi Rates, and E-commerce."

Impact: Monopoly market leadership in Punjab and North India agriculture.

11. Technical Trainers (Verification Field Agents)

Field Trainer View

"A transparent daily earning stream by training farmers and verifying their accounts."

Impact: Automated wallet payouts via Baseline and Upline trainer hierarchy.

12. Programmers & Software Developers

Engineering & Dev View

"A high-performance NestJS + Expo + PostgreSQL architecture built to scale to millions of users."

Impact: Clean DB schemas, strict TypeScript types, 0 technical debt.

13. Investors & Board Directors

Investor & Equity View

"A 100% compliant, high-margin, scalable business with 5 diversified revenue streams."

Impact: High LTV, low CAC, 100% FDI compliant marketplace.

14. Service Providers (Cashfree, Shiprocket, PhonePe, WhatsApp API)

Service Provider Integration View

"FarmsKing is a high-volume enterprise partner."

Impact: Cashfree Auto-Split Payouts, Shiprocket Vendor Pickups, PhonePe PG, WhatsApp OTPs.

15. Gardeners & Rooftop Garden Advisors

Urban Gardening View

"A dedicated platform for urban home gardening, rooftop vegetable setups, and plant care."

Impact: Home visit bookings, organic soil/plant sales, and plant doctor advice.

16. Company Employees (Admin Staff, Operators, Supervisors)

Employee & Staff View

"A frictionless, role-permission-driven dashboard where operations are automated."

Impact: 1-Click order packing/dispatch, farm spray schedules, clean audit logs.

17. Crop Doctors (Senior & Junior Doctors)

Crop Doctor View

"A nationwide digital clinic where I can diagnose crops and earn a dignified professional income."

Impact: Pay-per-consultation, e-prescriptions, satellite NDVI scan access.

18. Crop Advisors (Field Agronomists)

Crop Advisor View

"Freedom from paperwork, automated spray schedules, and direct wallet commissions."

Impact: Digital monitoring of 100+ farms, weather alerts, monthly wallet payouts.
