

FarmsKing E-Commerce Master Manual & Operations Guide

Complete Multi-Seller Marketplace Platform Blueprint

1. Executive Overview

The FarmsKing E-Commerce Platform is a multi-seller marketplace engineered for agricultural inputs (seeds, fertilizers, pesticides, tools, heavy machinery). It seamlessly connects Sellers (Local Ag-Stores), Buyers (Farmers), Logistics (Shiprocket API), and Financial Compliance (1% GST TCS withholding).

2. Core Business Rules & Profit Split

- **FarmsKing Platform Fee:** 10% on gross item sale price.
- **GST TCS Rate:** 1% withheld from seller payout and deposited to the Government under Sec 52 CGST Act.
- **Free Delivery Rule (50-50 Cost Sharing):**
 - If a seller offers Free Delivery, the shipping fee is shared **50-50% equally** between FarmsKing and the Seller.
- **Example (Product ₹2000, Actual Shipping ₹400):**
 - FarmsKing Commission (10%): ₹200
 - FarmsKing Share of Shipping: ₹200
 - Net FarmsKing Profit: ₹0 (No loss, 10% commission completely covers FarmsKing's share of shipping fee).
 - Seller Product Base: ₹1800
 - Seller Share of Shipping: ₹200
 - Seller Final Payout: ₹1600 (- 1% GST TCS).

3. Shipping & Logistics System

1. **Shiprocket API Integration:** Automatic pincode serviceability check, courier allocation (Delhivery, BlueDart, Ekart), and live tracking.

2. Delivery Modes:

- **FarmsKing Courier (Shiprocket):** Automatic door-step delivery.
- **Seller Self-Delivery:** For heavy machinery or hyper-local deliveries.
- **Local Store Pickup:** Farmer directly picks up from seller store (Zero delivery fee).

4. Key Stakeholders & Responsibilities

Stakeholder	Primary Role	Key Focus
Sellers	Product listing, quality packaging, inventory accuracy	10% commission, 50-50 free shipping rule, weekly payouts
ICICI Bank	E-Commerce Nodal / Escrow Account	Compliance with RBI aggregator rules, automated split APIs
Chartered Accountant	GST TCS Compliance & Filing	Monthly GSTR-8 return filing, TCS certificate generation
Cashfree Gateway	Online Payments & Split Payouts	Instant order payment processing, automated vendor split
Shiprocket	Multi-vendor pickup & shipping	API credentials, pickup location sync, return order logistics

5. Dispute Resolution & Anti-Fraud Protocols

1. **Wrong/Damaged Product:** Mandatory Unboxing Video required from buyer; Seller must replace within 48h or 100% refund issued.
2. **Delayed Delivery:** Real-time tracking alerts sent via SMS/App. Orders delayed over 7 days can be cancelled with 100% refund.
3. **Refused Delivery (RTO):** Return courier charges deducted from seller payout for invalid seller descriptions.
4. **Counterfeit Goods / Expired Chemicals:** Instant seller suspension + ₹10,000 penalty.

6. Official Terms & Conditions

- All sellers must possess valid GSTIN, PAN Card, and verified Bank Account.
- Sellers listing pesticides/fertilizers must upload valid State Agriculture Licenses.
- All payouts are settled every Thursday via Cashfree Auto-Payout API.
