

FarmsKing E-Commerce Dispute Resolution & Risk Guide

Dispute Mechanisms, Return Policies & Risk Prevention

1. Top 5 E-Commerce Disputes & Automated Resolutions

Dispute 1: Fake, Expired, or Damaged Products

- **Resolution:** Unboxing video mandatory for buyers upon delivery. Seller payout blocked in Escrow. Seller must dispatch replacement within 48h or 100% refund triggered. 2 consecutive violations result in seller ban.

Dispute 2: Incorrect Item Delivered

- **Resolution:** Shiprocket Automated Reverse Pickup initiated. Return shipping cost billed directly to seller.

Dispute 3: Shipping Delay

- **Resolution:** Real-time tracking via Shiprocket. Orders delayed > 7 days enable 100% buyer cancellation & refund option.

Dispute 4: Customer Refused Delivery (RTO)

- **Resolution:** Admin confirmation call on COD orders prior to dispatch. Return courier fee deducted from seller account balance.

Dispute 5: Payment Deducted but Order Pending

- **Resolution:** Handled via Cashfree Webhooks. Auto-reconciled or refunded within 24 hours.

2. Risk Mitigation Protocols

1. **KYC Lock:** Sellers cannot list items without verified GSTIN, PAN, and Bank Account.
2. **Escrow Hold:** Funds held for 7 days post-delivery to secure return windows.
