2. Smart Feature Gate Rules & Monetization Psychology

1. PDF Download & WhatsApp Share Gate

On Free Pass, accounts data is viewable on screen, but PDF Download & WhatsApp Share buttons prompt the user to unlock **Kisan Card**.

2. Other States Mandi Rates Gate

Local Punjab Mandi rates are free, but clicking on a crop to view national rates (Haryana, Rajasthan, MP, Delhi) prompts for **Kisan Card**.

3. Photo Upload Gate

On Kisan Card, photo upload button is visible, but uploading crop disease photos or bill scans prompts to upgrade to **Boss Card**.

4. Labour Management & Labour Login Gate

Labour attendance, advance receipts, and Labour Login worker access are exclusive to **Boss Card** and **King Card**.

5. Team Members & Supervisor Delegation Gate

Adding 5 team members/supervisors to delegate data entry is exclusive to **King Card**.

6. 180-Day Crop Duration Auto-Lock Engine

Free Pass crops auto-lock after 180 days (365 days for orchards). Purchasing a Paid Card instantly unlocks all 6 months of logged data.

3. Google Play Store Compliance & Security

- **Direct Cashfree UPI Exemption:** Cards are classified as Commercial Agricultural Business Utility Cards (0% Google fee).
- **Auto-Dynamic Privacy Policy Engine:** Live policy hosted at <https://farmsking.in/privacy-policy>.
- **Web Account Deletion Portal:** Live account deletion portal at <https://farmsking.in/account-deletion>.
